Agenda:

- 9:00 AM Coffee and Bagels
We will provide bagels and coffee during an opportunity for scientists to meet with representatives and their staff members.
- 9:30 AM Science to Better Arizona for Legislators and Staff
Scientists and engineers talk on climate change and energy policy, long-haul COVID, mining, biotechnology, materials management, and STEM education
- 10:45 AM Break
- 11:00 AM Science Policy Workshop for Scientists
A panel of policymakers will share their insights and perspective on science policy communication and best engagement practices.
- 12:00 AM Break for Lunch and Meetings with Individual Legislators
- 1:30 PM Continuing in Science Advocacy
AzSPN leadership will talk to participants about next steps to continue engaging AZ legislators on science topics
- 3:00 PM Optional Committee Hearings Open to the Public
Schedule will be announced.
